

ETHS Drumline Audition 2016 – Current Members

Thank you for your interest in the ETHS drumline! If you are reading this, you are a veteran of the ETHS drumline, and have marched in the drumline/marching band at some point.

Battery Members

- Prepare ALL of your perspective packets, depending on instrument (Snare, Bass, Quads)
- Bass and Quad hopefuls will be expected to play the exercises both in unison, as well as the split parts. (Snare packet is included in Bass and Quad packets)

Front Ensemble Members

- Prepare the Front Ensemble Scales exercise in ALL of the keys, via Circle of Fourths (Details are listed in the Front Ensemble Packet)

Tempos to be practiced should be varied. Start at tempos as slow as 80-90 BPM, and increase accordingly; you can go as fast as 180 BPM! ALWAYS PRACTICE WITH A METRONOME!
